Sir / Ma'am

I hope this letter finds you well. I am writing you today regarding The Car Club New England's upcoming events for the 2021 season. Our current support of local charities will be the benefactors from these events. The event date is May 15th 2021.

This season, The Car Club—NE will be hosting its annual Car Show event at the Mount Carmel Society, 93 Park Ave, Enfield, CT . During these events, a portion of the funds raised will be distributed to local charities voted on by the Board of Directors. Our core support has always been for children and veterans in the area. We are reaching out to local organizations and companies who may be interested in supporting this cause. Should you choose to become a participant in our endeavor to mix work and play, our gratitude would be overwhelming.

This letter is in regards to sponsorship opportunities to support the success of this event.

[Sponsorship Opportunities](#)

Bronze – Up to \$100.00

Silver – \$101.00 – \$250.00

Gold – \$251.00 – \$500.00

Platinum – \$501.00+

With each level there is an accumulating increase in the visibility of your sponsorship beginning with our Facebook page, show flyers, Instagram page and the sponsorship banner hung at each club event.

All considerations and contributions are immensely appreciated and without community support like this, our event wouldn't be as impactful as it is. We thank you in advance for your time and attention to this matter.

Sincerely,

*Jamison DuPuis*
